THE 1981 LOBO
MONAHANS HIGH SCHOOL
VOLUME 41

A PLACE IN THE SUN

As the sun peers down;
Onto the earth,
The greatest form is cast.
By molding and sketching,
That form turns to life.
And for that life,
There is a place in the sun.

Some reach for the sun;
Counting each of the steps,
to be made.

Others strive for the sun;
Gaining knowledge,
from their pace.

Still others,
Set their goals for the sun;
To introduce themselves,
to the future.

Then there are those,
Who pass with the sun;
And take success,
along with them.

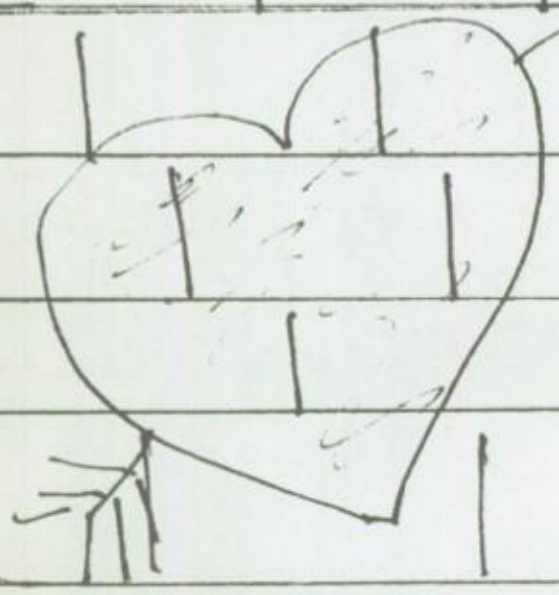
To the CLASS OF 81:



if you can read this thank a teacher!

I wish you peace when the cold winds blow warming by the fire's glow.
I wish you comfort in the lonely time,
Arms to hold you when you ache inside.
I wish you hope when things are going bad
Kind words when things are sad.
I wish you shelter from the raging winds -
Cool water at the fever's end.
I wish you peace when times are hard.
A light to guide you through the dark.
And when storms are high, and your dreams are low,
I wish you the strength to let love flow -
I wish you the strength to let love grow . . .

Do Sam,

Sammy you're really cute & nice guy. I am really glad that I know you. You've been terrific in times of great need. Eddie wasn't anything compared to you. You're great! Stay the way you are, please. Another person who'll leave nameless, did you could & I hope I can help you forget her.

Sambo, I hope we can be close forever no matter what happens. I hope it doesn't turn out like me & Eddie, & You & ? you know Let's forget about the past & think about the future.

About the note I wrote you, or was supposed to, here it is. Sammy, you're the cutest, sexiest, finest, & sweetest guy I've met in a long time. You helped me forget about Eddie & was there for me to talk to. I really appreciate it. Thanks! Please don't change. I really like you a lot & I hope you feel the same, but if not that's okay 'cause I like you enough for both of us.

Well, guess that's about it. C-ya later I hope. Stay the way you are & you'll go far. Remember I love you!

Be Sweet Love Ya!!

Sammy

I hope this is neater than my picture was and I ~~hope~~ (sorry) you can read it I really don't know what to say but I'll try to think of something.

I think (oops) ~~you're~~ (pretzel shook) you're one of the sweetest guys I've ever known. I'm really glad we met. I hope we stay friends no matter what happens ~~but~~ between us. Hopefully we'll be more than friends.

You treat me better than most of the guys I've gone out with And thank you for that.

If you ever need to talk, I'll always be there to listen. I hope you'll be there when I need you.

I hope you don't think this is too stupid.

I wish you the best in everything you do and all the happiness in the world!

(Sorry it's so sloppy but I can't write very good)

Love always,

Jodie
